REFRIGERATOR WARRANTY

Subject to the conditions below this appliance is warranted by Brand Group Distribution Pty Ltd ABN 26 107 913 379 (the “Company”) to be free from defects in materials and workmanship for a period of 24 months from the date of purchase (the “Warranty period”).

CONDITIONS OF THE WARRANTY

1. During the warranty period the Company, or its service agents will only pay the cost of repairing or replacing all Company parts on your appliance which the Company finds to be defective.
2. The Company will decide if there are any defects in material and/or workmanship.
3. Light globes, batteries and filters are replaceable parts and are not covered under this warranty.
4. This warranty applies only to mainland Australia and Tasmania and does not cover any service required from an accident, alteration, negligence, misuse, fire, flood or act of God.
5. This warranty is conditional upon the appliance being used for personal domestic or household purposes and installed and operated in accordance with the Company’s instructions.
6. The warranty is the only express warranty given by the Company. No person has authority to change or to add to these obligations and liabilities.
7. This warranty shall not apply to any loss suffered through or resulting from the non-operation or the ineffective operation of the refrigerator/freezer or any part of the refrigerator/freezer.

TWO YEAR WARRANTY

Repair or, at its option, replace without cost to the owner either for materials or labour any part of the product identified by the serial number and proof of purchase, which is found to be defective within TWO YEARS of the date of purchase.

FIVE YEAR SEALED REFRIGERATION SYSTEM WARRANTY

In addition, for a further THREE YEARS following the expiry of the warranty period, repair or, at its option, replace any part of the sealed refrigeration system which is found to be defective. During this three year period the purchaser will pay for the costs of labour (including any call out service fees) and freight if necessary in replacing defective parts in the Sealed Refrigeration System.

These parts are:

1. Compressor
2. Evaporator
3. Condenser
4. Dryer
5. Tubing
